BSI, the UK s National Standards Body, is leading the consultation process in the UK and interested parties can register their comments online: <http://drafts.bsigroup.com/Document/Manage/53407>.

Other typical examples of positive markers that we have seen identified include a safety accountability mental wellbeing support available, and for some companies Diana is part of that offering and Others may suffer from a lack of assertiveness, oversensitivity or inability to properly address constructive criticism or conflict.

However, the introduction of new legislation and increased use of protective equipment alone is not entirely responsible for this dramatic reduction.

To read and comment on ISO CD 45001 please visit BSI s draft review site:

Doing so will enable safety managers to keep the momentum going and drive incidences of work place injuries down even further.

Instead they enable workers - through education, training, leadership and positive communication - to make safe choices for themselves, their co-workers and anyone engaging with the business on a daily basis.

Ultimately it will provide a single, clear framework for organizations of all types and sizes who wish to improve their OH&S performance and protect those working on their behalf or who may be affected by the organization s activities.
