However, the introduction of new legislation and increased use of protective equipment alone is not entirely responsible for this dramatic reduction.

mental wellbeing support available, and for some companies Diana is part of that offering and

BSI, the UK s National Standards Body, is leading the consultation process in the UK and interested parties can register their comments online: <http://drafts.bsigroup.com/Document/Manage/53407>.

Instead they enable workers - through education, training, leadership and positive communication - to make safe choices for themselves, their co-workers and anyone engaging with the business on a daily basis.

Other typical examples of positive markers that we have seen identified include a safety accountability

Ultimately it will provide a single, clear framework for organizations of all types and sizes who wish to improve their OH&S performance and protect those working on their behalf or who may be affected by the organization s activities.

Others may suffer from a lack of assertiveness, oversensitivity or inability to properly address constructive criticism or conflict.

Much of Diana'sr coaching is by phone and it is surprising how many of her

To read and comment on ISO CD 45001 please visit BSI s draft review site:

However, all is not lost, we ve seen Safety managers taking their workplace safety approach to the next level and making safety a part of the company s culture and subsequently helping to continue the downward trend.
