Some of the benefits of ISO 45001 include: A single internationally-agreed standard suitable for all

Rather than simply trying to enforce rules and regulations, effective training encourages workers to adopt best safety practices as a matter of course.

Based on these examples, it is clear that, to move forward, companies need to be putting health and safety at the heart of their businesses.

Historical workplace tragedies could have been avoided if a secure occupational infrastructure had been in place using a standard such as ISO 45001 for guidance.

However, all is not lost, we ve seen Safety managers taking their workplace safety approach to the next level and making safety a part of the company s culture and subsequently helping to continue the downward trend.

Much of Diana'sr coaching is by phone and it is surprising how many of her possible lack of boundaries and inability to diplomatically push back or say no .
