Much of Diana'sr coaching is by phone and it is surprising how many of her

However, all is not lost, we ve seen Safety managers taking their workplace safety approach to the next level and making safety a part of the company s culture and subsequently helping to continue the downward trend.

Ultimately it will provide a single, clear framework for organizations of all types and sizes who wish to improve their OH&S performance and protect those working on their behalf or who may be affected by the organization s activities.

Instead they enable workers - through education, training, leadership and positive communication - to make safe choices for themselves, their co-workers and anyone engaging with the business on a daily basis.

Rather than simply trying to enforce rules and regulations, effective training encourages workers to adopt best safety practices as a matter of course.

Some of the benefits of ISO 45001 include: A single internationally-agreed standard suitable for all

However, the introduction of new legislation and increased use of protective equipment alone is not entirely responsible for this dramatic reduction.

mental wellbeing support available, and for some companies Diana is part of that offering and

The solution can be obvious once the anxiety, anger or fear that blocks emotional intelligence, is vented.

A messy or dirty business can potentially send a negative message about the company s commitment to safe work and also to discipline, organisation and accountability.
